## ELECTRICAL CODE COURSE

This 50 hour course is based on the **BC Electrical Code Regulation 2009 (21<sup>st</sup> Edition)** and includes the changes to the New 2009 BC Code. The course is designed for electricians and apprentices planning to upgrade their knowledge of the Code. This course is also for those planning to write the Field Safety Representative A, B or C Exams. Instruction covers all sections of the Code, Amendments, Directives, Acts and Regulations. A certificate will be issued upon successful completion. Course and instructor are recognized by the BC Safety Authority.

**Textbooks required:** 21<sup>st</sup> Edition Code with Act & Regulations. (Code Book and Publications may be ordered first session).

**Register early!** For more information visit [www.eiabc.org](http://www.eiabc.org).

**Instructor's Profile:** David Hansen is an Electrical Safety Authority recognized Instructor with over 25 years experience in teaching. He has been working for the City of Surrey as an Electrical Safety Officer for over 25 years. David's extensive knowledge and experience in the electrical field has made him highly regarded by all his students.
