

NEW 2012 ELECTRICAL CODE COURSE (INCLUDES OVER 180 CHANGES)

This 50 hour course is based on the **New BC Electrical Code Regulation 2012 (22nd Edition)** and includes the changes to the 2012 BC Code. The course is designed for Electricians, Apprentices, Technologists, Technicians, and Electrical Contractors planning to upgrade their knowledge of the Code. This course is also for those planning to write the Field Safety Representative A, B or C Exams. Instruction covers all sections of the Code, Amendments, Directives, Bulletins, Acts and Regulations. A certificate will be issued upon successful completion. Course and instructor are recognized by the BC Safety Authority.

Textbooks required: 22nd Edition Code with Act & Regulations. (Code Book and Publications may be ordered first session).

Register early! For more information visit www.eiabc.org.
